Optional Services

Event planning and other program services are available from SKB Events (Bellingham, www.skbevent.com).

Catering food services, such as provisioning, preparation, and serving are not included in the basic package. If requested, we can provide contact information for local catering services.

Camp Saturna does not provide programming or camp counselor services. Use of certain facilities requires supervision by qualified staff, and groups must make their own arrangements. Upon request, Camp Saturna will endeavor to locate quality counselors qualified to supervise activities such as the climbing wall, archery, team-building and leadership, shooting ranges, watercraft usage, and waterfront supervision. Counselors are normally college students, who work at the rate of \$40/hour with a two-hour minimum. Allow at least three weeks to locate counselors, which may be difficult on holidays and weekends.
